-  **DOWNSTAIRS AT HART PLAZA**
- 

 **RECYCLING**
Sponsored by:

Greening Program made possible by a generous grant from the DTE Energy Foundation. Look for the recycling bins throughout the festival grounds.

The Detroit Jazz Festival is a major cultural institution in Detroit, with year-round educational activities in addition to the world-class Labor Day weekend event.

Because we wish to keep the festival a FREE event, we are inviting you to support the festival in a variety of ways. Look for DTE Energy Foundation's two "Keep it Free" kiosks to learn how YOU can keep the festival FREE.

SEPTEMBER 2-5, 2011
